“ I knew Sandra, as Sandra Davenport when we were in school together. I was lucky enough to have gone through first grade all the way up too Seniors 1969 with her. Sandra was very good in her sports at high school in softball and volleyball. If my memory serves me correctly. Upon our graduation in 1969, Sandra was awarded a pin plus certificate for being the only senior class member to have four years of high school perfect attendance. Our senior class motto for Sandra in the future of life, "Sandra owns her own business now manufacturing," Davenports'. It's name is Davenports / Davenports. Sandra will be missed by all. I wish her family well and keep all of you in our prayers, GOD be with you. Your long life class mate, RONALD W. STAFFORD
