Dear Grandma, I loved you , We didn't hang out a lot but when we were together I had fun. Im gonna miss making Christmas cookies with you. :) I really hoped when you moved to the Ozarks, that you would have the best retired life. I still hope you had the best time you could. You are so brave and strong for going through chemo and radiation even though we thought it wasn't a good idea. Rest in peace. Love, Savannah
