“ Scott was a great golfer and a better person. When you heard people talking about Scottie, one thing that always came up was he loved the play golf barefooted, it was his trade mark. May Randy & Clem enjoy many rounds in heaven!!

I wanted to express my condolences at the loss of Scotty. We met out at Quail Creek in the 80's golfing in the Thursday night men's league, always enjoying Scotty's season ending hog roasts! We were later teammates on the S/E Electric team during the Pleasant Valley Tuesday night golf league. He was an ornery one, and I plan to honor him this afternoon at our Wednesday skins game at Saddleback in Solon by playing barefoot in his honor. Cherish the many memories he created with you and for you, as I will mine.... Linker

As a long time coworker at UIHC I can say everyone he worked with enjoyed being around Scott. He made work fun,always had a grin and recognizable smirk. He seemed to be always on the go and was a great HVAC Mechanic. He's probably having a laugh with Tex B.,Whitey L,and Doug K. May god bless Scott! Scott Wieneke

We were sad to hear about Scott's passing. He was great guy to work with. He was a real go getter! Always ready to help people. He was one of the first to show up at our house to help with clean up after a bad storm. We will always picture him driving that tractor with cutoff shorts, no shirt and no shoes! He will sure be missed.
