I remember all the fun we had as kids when we would go to Aunt Betty's house and just hanging out with Sean and Danny. He will always be remembered as a good part of my life. The O'Neills will be in our thoughts and prayers, and we will have father say a mass for him.

“ Sean was a lovable dreamer; whether it was his dream throughout high school of "fixing up" Bessie or taking a journey to the center of the earth, the pathway that he was certain existed at the north pole. I always enjoyed his many stories. I have many fond memories.

“ So sorry for your loss. I have so many great memories of Sean and friends and family at the lake. We had so much fun when we visited him- out in the boat, hanging out on the back deck or dock, or going into town. I'm glad that is the way I get to remember him!

“ Sean, I was so sad to hear of you passing. You were truly a great man. No one had a bad thing to say about you. I rarely ever saw you frown ,Well maybe when your truck got stuck in the mud while the group was 4 wheeling in the 80's. Come to think of it we were all laughing,

Each and everyone of you siblings & parents, I had the pleasure of knowing. What an amazing family! Even though its been 35 years since I have been to the "OZ" I still get a huge smile on my face. Countless memoires of the lake. and times with the gang. It has been such a huge part of who I am today and I will always treasure them. Rest in piece sweet angel. It's very hard to say goodbye Love you, until we met again.....sniff sniff . Tell the "Professor of Ha HA' aka Mike porter hello for everyone.....I wish I had old pictures to share but they are under a lot of junk
