“ Shirley and I became great friends in Germany,where our husbands were stationed. I had my first child there. I remember Shirley looking down on my son and saying,“aren't babies ugly?” I think it is hilarious now,but at the time,did not think that was funny! That was Shirley! We always had a great time when we were all together. RIP my dear friend,and keep those men line until I get there! You will always have a special place in my heart! 🥺
