“ Shirley was more than just my mom, she was my best friend. I already miss the phone calls wanting to know the score of the Cardinal game when she couldn't watch her favorite team. Beyond her family and her church the St. Louis Cardinals was the love of her life. Never forget the upsetting call I got when they traded her favorite player Harrison Bader, she loved his hair! She will never be forgot, she spoke her mind and always left an impression, the world needs more people like mom. I miss you everyday and will always be honored to be your firstborn. I know she's still watching her beloved Redbirds, don't worry mom we'll getting next year!

“ Shirley will be missed. We spent much time with she and Jack enjoying bluegrass music at the Starvey Creek Bluegrass Festival for the last couple of years. We made some good memories together. Prayers for Jack and the family.
