STEVE HAMERSLEY

Steven Boyd Hamersley, age 66, of Sunrise Beach, Missouri, passed away Sunday, January 28, 2018 in Lake Regional Hospital, Osage Beach, Missouri. He was born April 6, 1951 in Ottumwa, Iowa, a son of the late Merle Eugene and Betty Arlene (Pilcher) Hamersley.

On June 28, 1975 in Schaller, Iowa, he was united in marriage to Rebecca Sue Schwab. Together they shared a great forty-two years of marriage.

Steve spent his childhood in the Tri-Cities area of Washington. In later years, his family moved back to Iowa where he was a 1969 graduate of Ottumwa High School. He worked several jobs before starting a career at the John Deere Des Moines Works in 1972. He retired in 2003 after thirty-one years of service. In 2009, Steve and Becky moved to the Lake of the Ozarks to enjoy their retirement.

Steve loved life at the lake and was very happy. He enjoyed all aspects of being outdoors surrounded by nature. His mechanical aptitude allowed him to pursue his passion of restoring vintage automobiles and building street rods. In his younger years, Steve was a model train enthusiast and recently began restoring some of his trains. He loved all animals, especially his dogs. Most of

all, time spent with his family made him a happy man.

Survivors include his wife, Rebecca of the home; two sons, Nathan Hamersley and fiance, Amber Watson and Shawn Hamersley all of Ankeny, Iowa; two grandchildren, Madelyn and Grayson and a host of other family and friends.

Per his wishes, no services will be held.

Cremation arrangements are under the care and direction of the Kidwell-Garber Laurie/Sunrise Beach Chapel.

“ Growing up I didn't have any sports peers or hero's, my father was my only hero growing up! I could not have asked for a better father and I only hope that I can be half the father to my children as he was to me..... I realize that I have a set of huge shoes to fill. I will miss my father more than any words will even begin to express and those who have lost will know what I'm writing about. I am fortunate enough to know and realize who I am and where I came from....

I only met Steve a couple of times - Popcorn Days - and my impression of him was and still is that "still waters run deep." I thought that he saw so much with his eyes. And, most important to me was how much he truly loved my friend Becky. My condolences to Becky, Nathan and Shawn.
