“ April, Andrew, Angela, and Debbie, I am so sorry to hear about Steve passing away. I remember when you guys would come visit Grandma Saar up on Union Street on the hill in Council Bluffs, Iowa. I haven't kept in touch with you guys, but sometimes you all do cross my mind. I pray you all find the healing and comfort you need during this difficult time. God Bless You All!

Steve is my coffee buddy. I miss my coffee dates with him! We would sit and talk about everything. He would tell me stories of his haydays, his boating, his chickens, my chickens, his dogs, my dogs, tons of funny and a bit of sad. I was so excited to tell him I was going to get quail. I know he would have been excited too. We would have talked for hours over our coffees. One thing he always without fail was to talk about how proud of April he is. And always about how worried he'd get when she wasn't feeling well. I miss you Steve. You're the best big-little brother ever.

“ I lived on April and nicks place at first in Pop's pop up trailer then bought my own. Pop's came over and drank coffee with me and took care of my fur babies when I was at work. We spent a lot of time talking about different things I will miss him giving me a hard time. Rest in peace 🕊️ Pop's and fly high and keep a eye on the babygirl. Love and miss you..
