“ I still cannot wrap my head around the fact that you are gone. Dinner at moms is not the same without your stupid laugh. I want to hug you again. I want you to be here with us. Mom was just getting adjusted to losing dad and now you left us. We cannot take any more of this tragedy. I will see you someday and we will sing around the table harmonizing like we Johnson s do. I love you so much and miss you immensely. I'm mad at you for leaving us so soon. I love you brother. Save a seat for me.love you bub.

“ Going to tractor pulls to watch Matt that's always a good time. Going out on boat rides, working around his lake house and eating dinner with him and Bonita at their home.
Steve is my best friend whom I miss greatly!
RIP my brother ❤️
