“ *Dear Linda and Connie,  
My condolences to you both. Steve lived just around the corner from me and we attended the same elementary. My memory of Steve was that he was quiet and extremely nice. We were in 4th, 5th and 6th grade together, but in the large middle and high school I can't remember seeing much of him during those years. I am saddened to learn of his passing. My thoughts and prayers are with you both and your families. Muriel Noel Kloth*
