Harriet and I are very saddened by Steve's passing, I am a very close friend to Sue and Steve, as Sue and I shared time at Lake Career and Technical Center at Camdenton, MO. Since that time Steve became a very close friend. Knowing Steve, I know that he is in heaven with the master of all things. We are sadden for Sue and pray that Jesus will help her through this tuff time. God bless this family.

He was a good guy, we were friends in our teens. He shared what he had with me and I always remembered that. Memories I carry with me to this day.

*Dear Sue,
We are so sad to hear of the loss of your loving husband. My best memory of him is when we all went tubing at the lake - so many years ago. It was a great weekend with you both.
