“ He was the most wonderful Grandpa - his witty sense of humor, contagious laugh, intellectual conversations about war and politics, love for the outdoors and the St. Louis Cardinals are all things I loved about him. He was also such a fighter - up to the very end. My Grandpa was the foundation of the most special family in the world, making a lifetime of memories together. How blessed we were to have the head of our family be Ted Akin, someone who instilled the importance of family in each of us. Grandpa is missed greatly, but will forever be in our hearts.

We love you, Grandpa. Until we meet again...

Love,

Kara Mickleto (Granddaughter)
