“ Ted was a gd friend to almost everyone who knew him. We began at Hazel Grove in 1st grade, all the way through to graduation. His teasing, playful demeanor, dry sense of humor and wit always brought a smile. In later years, at our reunions, I was touched by his pride in and devotion to his lovely Pat. It was easy to see how much they cared for each other. I'm glad I could call Ted my friend. The world has lost a good one, but I am sure he leaves a beautiful legacy behind. God bless, Pat. “ Somehow we lost track of each other, however you will always be my brother. You will be missed by both your high school and Battery D gang. There are so many personal stories we could share. Larry Norlund - Jefferson City, Mo.
