“ My wife Sandy and I attended Tim's service today. I was glad to see all of his children there.

Tim was a unique individual whom I truly enjoyed working with. When we visited Tim a couple of weeks ago he told me he really didn't want to vote in this election coming up but if he was still around he said he would. So I am going to vote for him exactly as he would have done, which takes me off the hook.

Will miss you Tim

“ I am so sorry to learn of Tim's passing. He was my mentor @ IPL and guided me through many "electrical adventures." He was one of the smartest people to be around and His "dry" sense of humor made my day. I will miss him.

“ Sue, Mindy,

Valerie and I are sad to hear of Tim's passing. You have our deepest sympathy. Tim and I had some very good times working together at Power & Light and socializing at the end of the day. He was a good man and one of the smartest people I've ever met.

*Warmest regards,

Sue and Mindy,

I feel very fortunate to have known and worked with Tim. He always found a way to make people smile and he was a pretty smart prankster as well. I know he will be deeply missed, our thoughts and prayers are with you and your family.

“ My sympathy to all of Tims family and friends. Tim and I went all through school together and his sister Michelle was one of my best friends. He was always a fun loving guy and always could make you smile. Cherish your memories and know that he is out of pain and in a better place. *Marlene St.Clair Brannick*
