“ *Sympathy to Tom's family and friends. So sorry to hear about Tom. We are in Florida and were waiting for him to come see us. He was a true friend and never a dull moment when we were together where ever we were. God Bless.*

“ *I must share a small window of my life at Trinity Pointe with Tom Costello. He was a giant of a man with a heart as big as his smile. However, he was a giant prankster. His television set was always on Fox and mine a competing network. My television kept changing channels and switching to Fox News. I was ready to cancel my cable when I finally figured out that he was pranking me and somehow changing my channels. We had a visit and believe it or not my channels did not get changed again. There will not ever be such a friend and neighbor as Tom. Love and Prayers for the Costello Family, Kathy Mateo and for the Trinity Pointe Community.*

“ *Deb, Keighlea and I are truly BLESSED for knowing Tom Costello. When we moved into the Trinity Pointe condos there were only a handful of full timers. We shared friendships that are forever. We had so many good times! Tom was a veteran who loved his country and Lord Jesus! We will miss your humor and generosity dear friend.*

“ I had the pleasure of knowing Tom for only a few years. During this time i always felt he was a very upbeat gentleman, always smiling and encouraging. I know he was always engaged in many activities that involved helping others. Tom was in fact, someone you could call a friend!
