“ *Mike was my cousin and my good friend. I have many memories of Mike...all good. We played guitars together in several bands and were in Cub Scouts together. Growing up he was more like a brother than a cousin. I'll miss him. -Stan Williams*

My favorite memory of Mike was when he and Brad played football together in Junior High. Brad always said Mike could catch the ball no matter how he threw it. I know he will be missed by many. Rest in peace Mike.
