“ I looked at the obituary again, and realized we saw him on a visit to McDonalds earlier.

“ We are residents of Tipton, but my husband remembers Tom from high school days. They always exchanged a few words whenever they met. I remember him participating in western horse shows at the Tipton Fair on a white horse. It seems like he was running barrels. The last time we saw him was May 4th as we were leaving McDonalds and we visited with him before we left. He'll be missed.
