

Tyler James Howard

August 5, 1996 - June 14, 2016

Tyler James Howard, 19, son of Kimberly Anne Whelan and Cody David Howard, was born August 5, 1996 in Barstow, California and passed away at his home in Rocky Mount, Missouri on June 14, 2016. The early years of his life were spent in Chariton, Iowa and Eldon, Missouri where he attended high school.

Tyler was a talented artist, excelling in pencil drawing, painting and tattoo design. He had a natural talent for music and had taught himself how to play guitar. He had a curious mind and loved knowing how things worked; as a kid he would take things apart and put them back together again. Tyler loved cars and racing, and often found himself in trouble because of it. He wasn't afraid of hard work, had a soft spot for animals and always had a dog or puppy by his side. He will be remembered for his sassy mouth, quick wit and playful, outspoken personality. He will be missed more than he could have ever imagined.

On April 18, 2015, Tyler and Julia Shipp welcomed Keyan Aries Alexander Howard. Keyan was the absolute love of his life. Tyler was also helping to raise Dash Isaiah Shipp, age 3 and loved him as his own son.

Tyler is survived by his one year old son Keyan Aries Alexander Howard of Eldon, Missouri; parents, Kim (Justin) Duhn of Eldon, Missouri and Cody

(Michelle) Howard of Truro, Iowa; siblings, Sebastian Duhn of Eldon, Missouri, Katherine (Aaron) Shaughnessy of Dickens, Iowa, Skylar Duhn of New Bloomfield, Missouri, Kayla Gingerich and Skyler Gingerich of Truro, Iowa and many grandparents, aunts, uncles, cousins and friends.

A Celebration of Life will be held at 11:00 a.m., Saturday, June 18, 2016 in First Baptist Church of Eldon, Missouri.

Arrangements are under the care and direction of the Kidwell-Garber Funeral Home of Versailles.

“ Ty,
Sorry we didn't stay in touch. But I guess that's what happens. I will never forget in science the teacher would be teaching something and you would be drawing. He would ask if you were paying attention. You would say maybe I am maybe I'm not. And he would tell you to stop drawing, he would turn away and you would keep drawing. You passed every test no matter what. You were so intelligent and an very talented person. Your love for the boys and Julia was amazing. Rest easy.

“ Ty,
You always knew how to make someone smile when they were having a bad day. I remember in science class you would always draw and the teacher would ask if you were paying attention and you never responded but passed every test he threw at you. The love you had for your children and Julia was amazing.

Rest easy. Sorry we didn't stay in touch.

“ I have so many memories of you Tyler... One of my favorites is watching you teach Dash to play the keyboard when he was 2 he was so curious about all the instruments you played. Another was watching you as we brought Keyan into this world. Watching you hold him like you were afraid you would break him. I'm going to miss you more than you will ever know. I love you. As do both our children. ❤️

“ I met Ty in Eldon, Mo. in 2012. We worked together for a truck washing service. We developed a system of working that made it easy and quick to get the trucks in and out. So, we became brothers at work. I remember us yelling at each other to work harder (after) working for 16 hours straight, lol. He was no joke when it came to hard work. By Eldon being a small town. Its wasnt hard to accidentally see Ty at stores and pizza restaurants. So, we spoke alot. In 2014 I moved out of Eldon and I only talked to Ty once since. We tried to do the facebook communication but, work and family has my time completely covered. I wish that I communicated with Ty more because now, Im a stranger to what happened. I will miss you brother. You are truly among the great friends I've met from Alaska to Missouri.

“ There are SO many wonderful memories but the first one that comes to mind is when you were staying with us and you snuck in a bottle of vodka. You and Chris had a blast doing shots until it snuck up on you and Chris decided to flip out on you. Man were you two in big trouble but we said one day we'd all laugh about it. Who knew we'd be laughing with tears pouring down our cheeks. Man we miss you more than words could ever say. I can't believe you are gone!! We love you "red headed step child"! You will forever be our third son!!!
