“ *I thought of you today, but that's nothing new.  
I thought about you yesterday and the days before that too.  
I think of you in silence. I often speak of your name.  
But All i have are my memories, and your pictures.  
But I just wish I could see you one more time.  
Come walking through the door  
But I know that's impossible  
I will hear your voice no more.  
I know you can feel my tears  
And you don't want me to cry  
Yet my heart is broken because i don't understand  
Why did someone so precious have to die?  
I know you are watching over  
But your life fell to short  
Your no longer in pain  
Which I am grateful for.  
You've taught me so much  
How to love  
How to bake  
How to sew  
My life you have forever touched  
My my heart will forever ache  
Until we meet again*
