“ I am so sad to hear of Jane's passing. I have been a friend of the families nearly my entire life and I have fond memories of Jane. I spent more time with them than I ever did at my own house. I was always welcome and I also knew when I better straighten up, all she ever had to do was give me her look. I loved sitting around the kitchen table with them. She had the best sense of humor and a love for her children and family that I will never forget. Thank you Jane for always making me feel loved. Until we meet again, rest in peace. All my love. Kim~

Ronda, Randy and all extended family.
You have my deepest sympathies. No words can ease the pain but please know that you are in my thoughts and prayers. Peace be in your hearts and comfort in all of the memories.

“ Oh my gosh, I have so many memories with my Aunt Jane!!! My biggest memory is Aunt Jane moving in with me to watch my son when he was born. This was such a special time for me. She created a nickname for my son and it stuck throughout. The nickname is "Streby-Deebie-Doo" and anytime my son, Christian, heard her say it, it put a grin on his face from ear to ear (and mine too). I will never forget you, Aunt Jane, and thank you for always being such a force in my life!!! I will hold you close in my heart forever & ever!!!
