“ I went to school with Violet at OTC and she was a doll to be around. We had Ms. Huff's class together and I never would've thought that the last day I saw her would truly be the final day. She was the first person to talk to me in that college and had a good heart. I'm praying for everybody involved that they gain peace and healing. She is a joy and deserves the world. Rest in heaven, beautiful girl, we miss you so much. 🕊️💕💕

I can't edit my post. I meant to say Rest easy Angel Above. I'm sorry I'm not use to doing this.
