“ *My condolences to the entire Pfaff Family. My mother, Nona Hershey of Evanston knew Wally and Pam. I met them several times as a child and later when I lived in Denver and we'd visit when Mom and Barry were in town from Canada. My mom held her private pilots license and Wally and my Uncle Bob Hershey attended Evanston school around the same time. While I cannot claim to have my memories accurate (what kid pays attention the the friends of their parents!?), I recognize the name well and have fond memories over the years. May the Lord offer His everlasting comfort to the family at this time. Blessings, Beth (Leary) Hollis, Lexington KY*
