“ Jan Martin, I met Wanda when I worked for West Lake Christian Church. For three years she was one of the ladies that helped me put together our monthly newsletter for the church. She came to help fold, put labels on and sort the newsletters for mailing. She was always full of stories to tell us of her family and she was very proud of them. She was very helpful in helping her church in whatever way she could. May you find peace at this time and know she was always trying to help.
