“ Wayne and Irene lived across the road from us on 5-35B. We also knew them through church. Wayne was always a good worker and always willing to help out in some way there at church. We always enjoyed visiting with him, too. We were saddened when he had his stroke, but the times when we visited with him at the hospital and then afterward at the Laurie Care Center, he was always glad to see us and we had really good conversations with him. We were sorry we were not able to get to the graveside service but we know God was there with you. We also know that Wayne was confined to a body that did not allow him to go where he wanted to go. Now he is free of all that. God bless your family as you go on with your lives and remember Wayne as the fine man that he was. Sincerely, Jim and Jan Kennedy

“ Sorry to hear of Wayne's passing, we were Wayne's neighbor at Timberlake Village. He always looked out for our Place when we were back in Lee's Summit. We will miss the visits with him. Bob remembers the time he almost MELTED Wayne's house while burning leaves!! Wayne always had a good laugh over that HAPPENING!!
