“ To the Galle Family,
While I never really knew Red as a close friend, I did meet him on several occasions being a childhood friend of Charle's. Red always treated me like I was a family member and was a genuine guy. We are so sorry for your loss and hope you will find peace soon.

The story I would share is...

Charlie, me and Red working on the late 70's Big Brown Ford Pickup Charlie drove around in High School. Charles and I were struggling to get some things to line up properly and we had to call Uncle Red to help us out. To your point of a Jack of all trades.

*Sincerely,
The Thompson Family*
