“ How do you describe a piece of your heart? "but thats what Bill meant to me. He was one of the first people I met when I moved to the lake. He never judged anyone! I watched he and his sister work side by side, and the love they had for each other. Him become a father for the first time, and then for the 3rd. Oh how he loved them. But the wonder of being a grandfather was where he really shined. Who would have ever thought , the little wild man, would look so forward to going to grandparents breakfast at the school. Oh how you will be missed. Love you always " Tootie"
