HI

“ Aunt Flo, Laura, cousin Nicki, Tracey, Howard I just found out about WC. Sadly I cannot be with you all. I miss WC lightheartedness, his smile his laugh. I miss him. How he would eat supper at Grandma Wheeler's then go to sleep on the couch until 2'oclock when it was time to head back to Versailles. Thank you for the wonderful advice you gave me. I have been married 10 wonderful years and going strong. You taught me how to be a man and how to treat a woman. Nothing wrong with hard work. Hold your mouth right in order to catch a fish. God willing we will all be with Uncle WC again, for the bible promises in Revelations 21:3,4 that death will be no more, neither will mourning nor outcry nor pain be anymore, the former things have passed away. I will pray especially for you Flo. Stay close to God and he will sustain you.

Sending all my Love Petey

HI

“ Aunt Flo, Nicki, Tracey, Howard, Aunt Laura,

I am so sorry, I just found out about Uncle WC, as you all know my dad was not really there for me but Uncle WC was. He said I always reminded him of "dusty". I remember the wonderful Sunday meals at Grandma's house in KC, after dinner WC would get on the couch and sleep off his meal in front of the television. When two o'clock came it was time to head back to Versailles. "Thank you uncle WC, you taught me family. The kind I never knew. I cherish the wonderful advice he always gave me. Especially when I married my wife, he told me to treat her right and to be good to her. It has been ten wonderful years uncle WC and we are still going strong. I Thank You. I thank you Flo Nicki, Tracey, for being there. I lived for his smile, his laughter, and his lightheartedness. He taught me how to fish, by holding my mouth a certain way. How to drive so the police would not pull me over. How to be a good man. I wish I could be there with you all, sadly, I cannot, but my heart and prayers are with you. I miss him much. May God's holy spirit be with you and lift you up. I will especially pray for you Flo. Be of good joy because Revelations 21:3,4 promises us of a time none of us will ever grieve or be in pain again, the former things will have passed away. God willing, you and all us will be with Uncle WC again!

“ *He will surely be missed by myself and my children, especially Andrew! WC was a very nice and thoughtful man. He always made me feel welcome in his home and made me feel a part of the family. I am very proud that my son could share memories with his "grandpa dubby". My thought and prayers go out to his children and his wife as they are forced to deal with this hard time. Some day we will all meet again!!!*
